MAKING CREATING FUN!

Looking for a fun and educational activity for your little one? On The Gogh Studio helps children discover all kinds of different art materials through hands on projects! Sign up today for one of our great art classes and your child will get to try one of our fun projects! We work with modeling clay, recyclable treasures, create pet rocks and explore fridge-worthy crafting projects your child will be proud to show off!

EVERYONE LOVES ART!

Art makes learning fun! It gives busy minds an outlet for creative expression and a way to communicate through imagination. Engaging in art strengthens important areas of the brain, such as cognitive thinking, language development, decision making, motor skills and an overall academic performance. Our programs are offered by age groups, ensuring each student gets the most out of every lesson plan.

HAPPY KIDS

Artwork and projects kids are proud to show off to friends and family.

"The kids had a blast! The lesson was energetic and educational. We'll do it again soon"

"We were looking for something new for our center and couldn't be happier! Every week we do something completely different and it's always a hit with the kids."
